

Best Operating Practices Now and For the Future

This is another “must attend” session at this conference if you are here to learn which practices and business models are working best today. Our panel includes some of the nation’s best BPH and LPH operators, 20 Group Moderators Brent Carmichael of NCM and Dave Brotherton of NIADA 20 Groups, and Equifax. Together these panelists will provide a comprehensive view of best practices and offer tips/techniques which will help you operate more successfully. Learn how the BPH market has changed and why the old ways aren’t working like they used to! It’s time for solutions which address the new challenges of today. Bring your questions and get the answers during this session! The more you learn, the more you will earn!
